Forecast for Saturday 18 Mar 2023

Weather: Cloudy and misty in the early hours and to start the morning with low cloud and a few showers. Showers dying out through the morning then some bright spells developing by the afternoon. The odd heavy and possibly thundery shower developing in the afternoon, but many places staying dry, then a band of showery rain will spread east through the evening.

Chance of cloud-free hill tops above 600m: 20% becoming 80% by early afternoon.

Low Cloud and visibility: Areas of low cloud and fog down to low slopes at first. Cloud gradually lifting through the morning with good visibility by the afternoon but dropping to a few km in any showers. Cloud becoming persistent again above 500m in the evening.
